

Tacoma Power's Properly Permitted Shoreline Structures 101

Do you own a shoreline structure or have plans to build one on the stunning shores of Lake Cushman or Lake Kokanee?

We're here to help you ensure your docks, bulkheads, buoys and other structures are properly permitted.

Contact Tacoma Power Shoreline and Lands Coordinator
Wynnae Wright at (253) 318.2527
or wwright@cityoftacoma.org to get started.
